### **Are there limits to when/how many staff the university can welcome?**

In principle, if the staff member has found a host at UB, then enough time should be left for the incoming staff member to register in our online mobility system. A 15-day notice prior to the visit should be enough.

### **Does the university welcome staff for training in arranged staff weeks?**

The University of Belgrade does not host staff training weeks yet.

### **Does the university welcome staff for training on individual staff visits?**

Requests for individual staff training visits will be acknowledged and reviewed depending on the time of the year based on the work commitments of the potential hosts.

### **Funding for the stay**

You will probably be eligible for Erasmus+ funding, but please contact your home university for more info (Contact info on the Circle U. website).

### **Academic calendar of the university**
