

Circle U.
European University Alliance

**Co-funded by
the European Union**

THIS IS THE CIRCLE U. OPEN CAMPUS

What is the Open Campus?

- The Open Campus is a digital portal that connects multiple universities.
- Serves as a one-stop shop for students seeking to access educational offerings collaboratively created by Circle U. partners.

Why do we need the Open Campus?

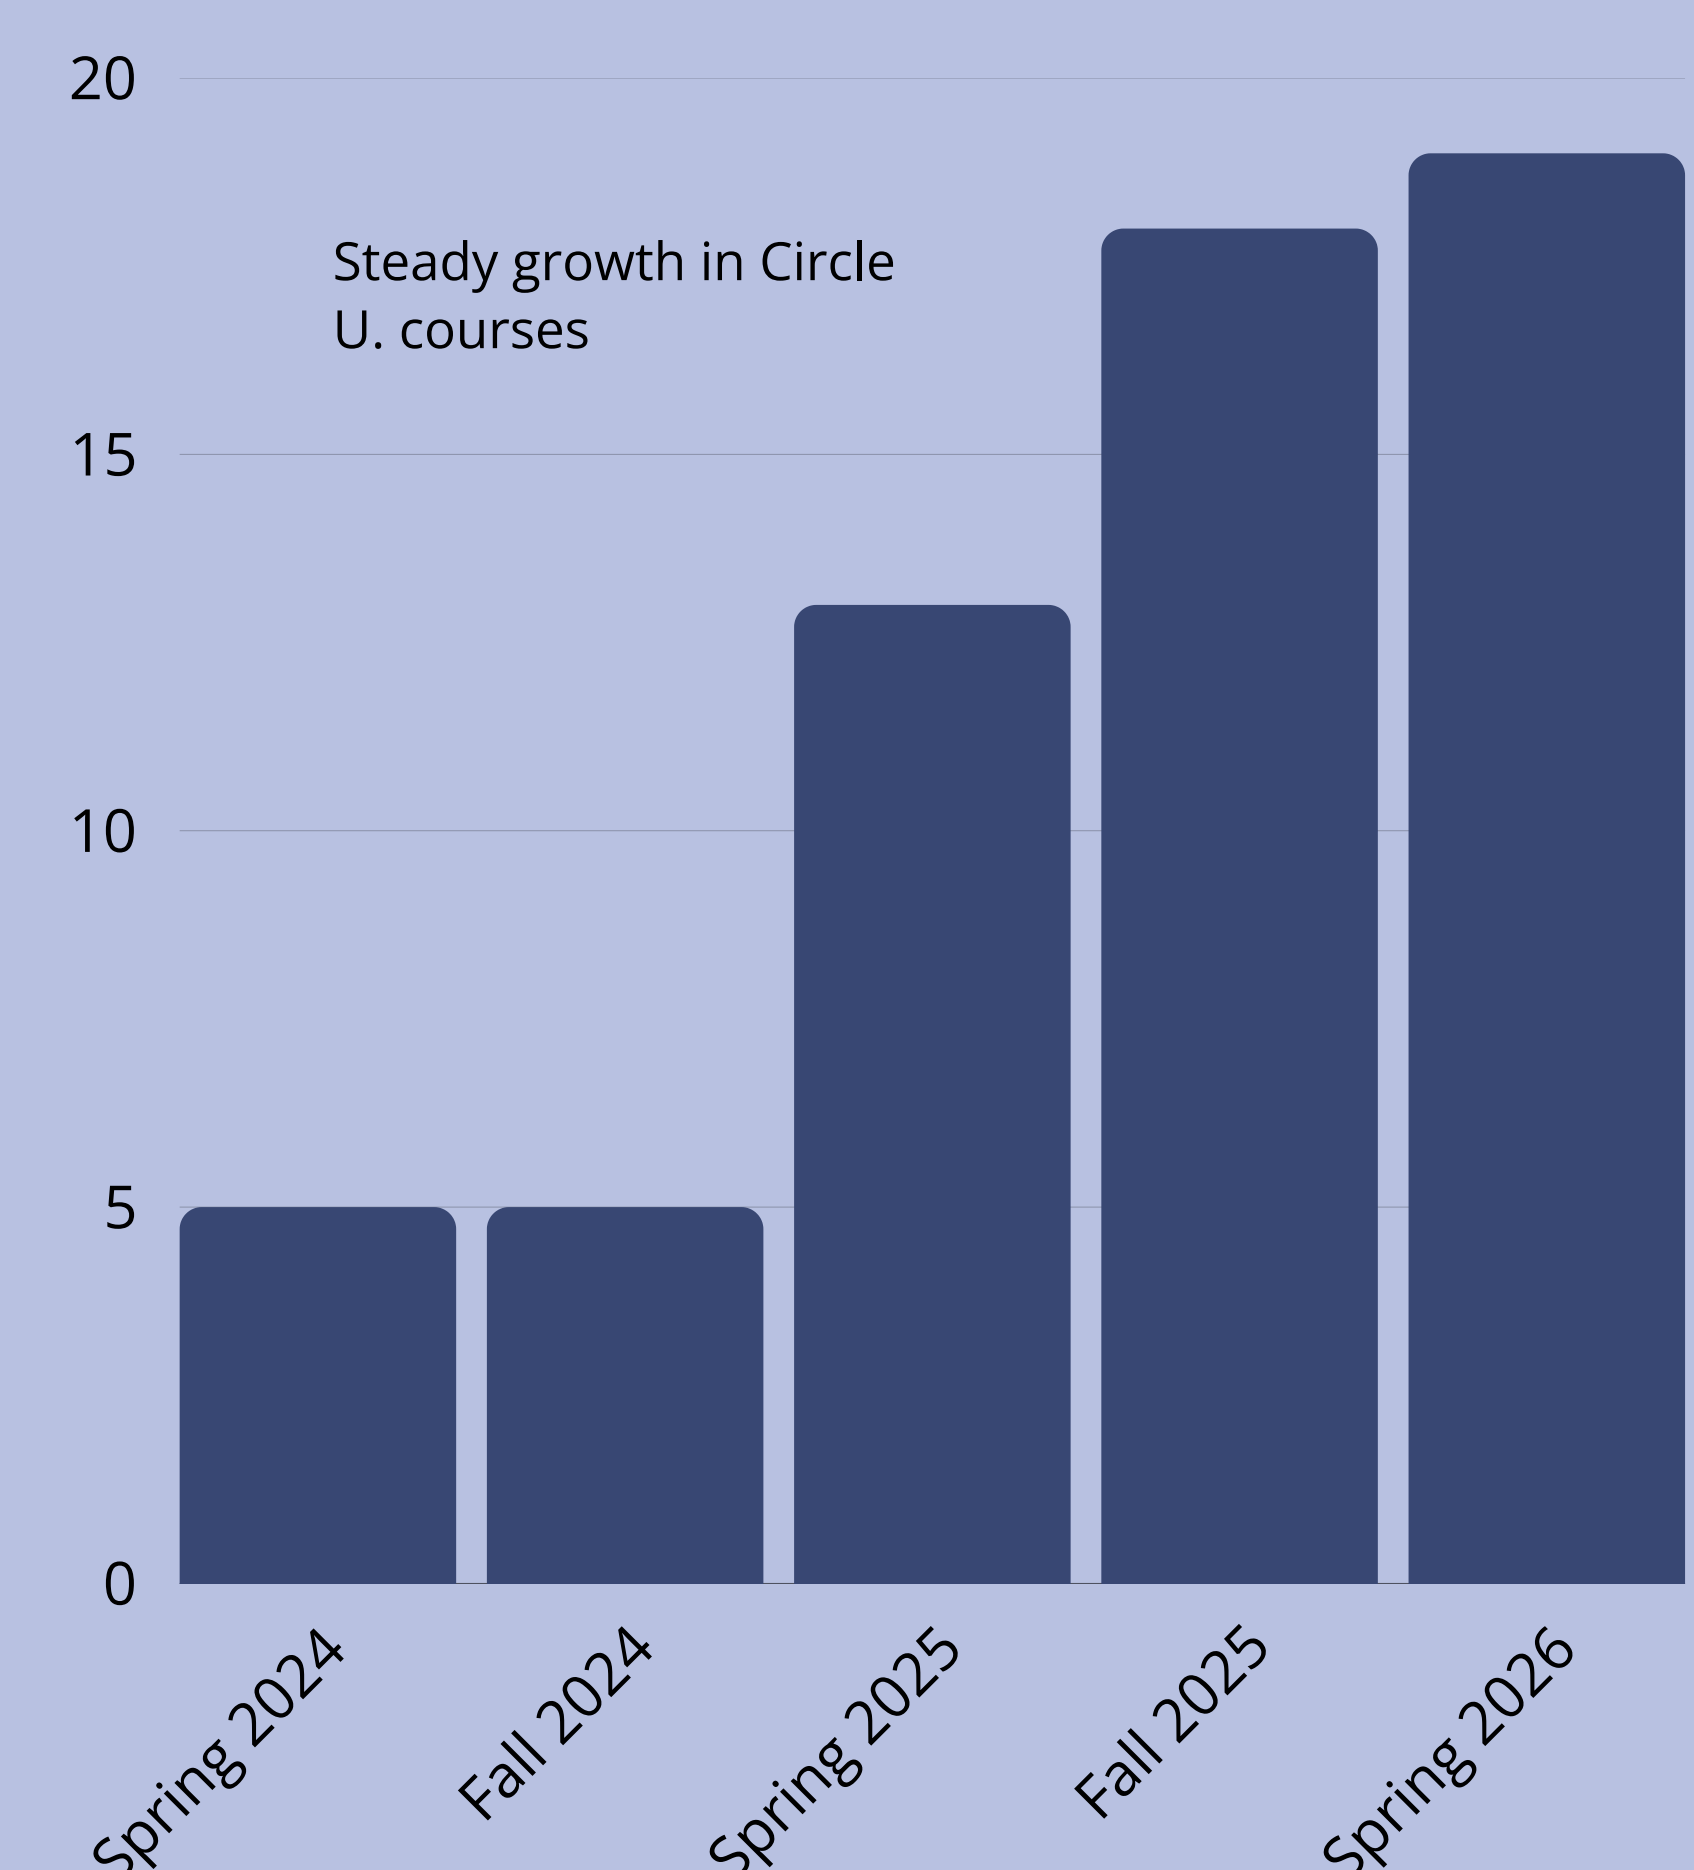

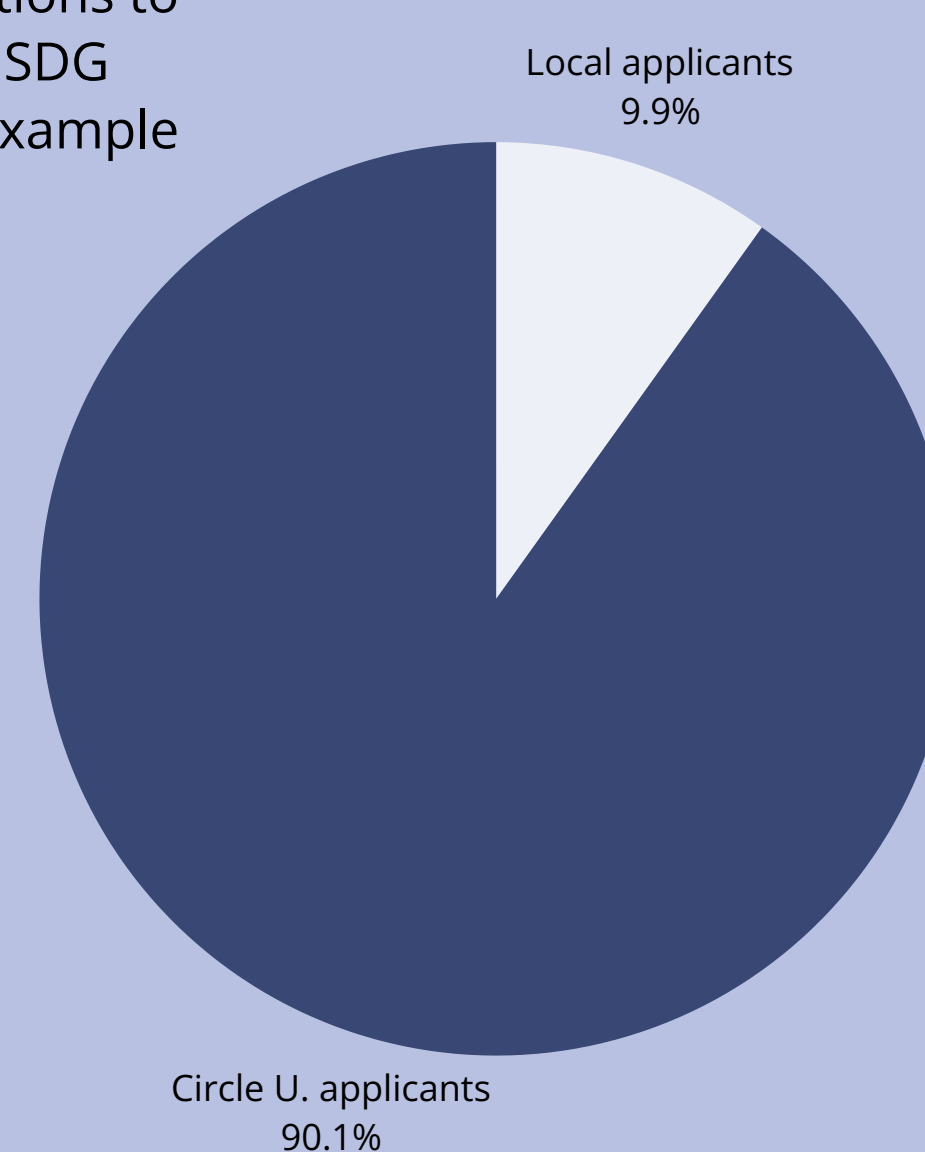

- It makes it possible for students to study at several universities simultaneously
- It makes mobility personalized to individual needs.

Priorities

- Joint programmes
- BA modules on the SDGs
- Summer and winter schools
- Hackatons and challenges
- Online courses and seminars
- Open Conversations

Status 2024-2026

Boost in applications to niche fields: the SDG Anthropocene example

Pedagogical Innovation

- Place-based learning
- Simulation
- Challenge-based learning
- Student-driven lecture series

Circle U. Label

- Involves collaboration between at least two Circle U. institutions
- Must be open to students from at least two Circle U. universities
- The coordinating or host university is responsible for the course/activity, including accreditation and the allocation of ECTS credits
- Should include elements of international exposure and/or mobility
- Emphasizes innovative, research-based, and interdisciplinary learning approaches
