

SANDPITS

Sandpits are interdisciplinary workshops that aim to develop collaborative research projects

Are you a researcher?

Do you want to develop research projects and meet new colleagues?

Workshop design

- **Session 1:** Online (27 May)
- **Session 2:** In-person (9-11 September)
- **Theme:** Democracy Knowledge Hub
- **Facilitation** by Circle U.'s Associated Partner **Mind&Market**

Outcomes

1. Two interdisciplinary **collaborative research projects** developed
2. **Training** in research project management and project pitching
3. Development of academic and professional **network**
4. **Research Support Task Force** follow-up to identify **financing tools**
